

HIRING EVENT FOR MULTIPLE BEHAVIORAL HEALTH STAFF! \$200 SIGNING BONUS *

Join us at West Michigan Works 3255 122nd Ave, Allegan, MI for an interview session on Thursday, June 28th. Please bring a copy of your resume, photo ID and be prepared to participate in a group session to discuss the opportunities we have available! If selected, you will be hired ON THE SPOT, scheduled for a Fingerprint background check, Occupational testing, and New Hire Orientation.

Turning Leaf, a vastly growing CARF accredited behavioral health treatment provider, is seeking several qualified Paraprofessional and Bachelor's leveled staff within Allegan County to join our team! We are looking to fill vacancies for Program Managers, Assistant Program Managers, and an array of Behavioral Health Technicians (BHT). Any Human Services or related major will be considered for management positions (psychology, social work, counseling, recreational therapy, rehabilitation counseling, health care administration, criminal justice, sociology, community services, etc). LBSW credential is highly desired. BHT candidates need only possess a minimum of a High School Diploma, or GED.

Founded in 1995, Turning Leaf Behavioral Health Services (TLBHS) offers a variety of supports to adults with single or co-morbid intellectual or developmental disabilities or a mental illness within a home or apartment based residential setting. Employing nearly 200 employees in opportunities ranging from Direct Service to Executive Leadership throughout Michigan, we hope that you will consider joining the Turning Leaf team as we gear up to lead the way in Behavioral Health!

Those within Program Management will provide supervision to residents and staff within Turning Leaf Programs. Program Managers are responsible for supervision of treatment/care of our consumers. May assist with emergencies during unscheduled work time and may provide on call supports for worksite after hours. Maintain a professional relationship with residents of TLBHS while modeling and guiding appropriate social interaction for residents and staff. Those applying for the BHT role will provide supervision and safety for residents living at Turning Leaf. Also, ensuring quality living standards are maintained as it relates to cleanliness, nutrition, and general health needs. Maintain a professional relationship with residents of TLBHS while modeling and guiding appropriate social interaction.

Contingencies: All opportunities at Turning Leaf are contingent upon successful completion of a post-offer physical examination, drug screening, tuberculosis testing, criminal background clearances, as well as degree and/or license verification. A valid Michigan Driver's License is required at time of employment and must be maintained throughout employment. Candidates will provide crisis intervention as needed and must be physically able to do lifting and transferring of physically impaired consumers.

Salaries are competitively aligned and vary based on job classification, education, and relative experience. Full time positions are accompanied by a total benefits package. Priority consideration will be given to those with experience in creating, implementing and developing person centered treatment plans, working with county agencies, and maintaining appropriate chart documentation.

WE ARE HIRING FOR 2ND AND 3RD SHIFT EMPLOYEES. MUST BE AVAILABLE TO WORK WEEKENDS. FLEXIBLE SCHEDULING AVAILABLE.

Must RSVP with resume, and time of attendance to hold your spot for consideration!

Remember: The event is at West Michigan Works 3255 122nd Ave, Allegan, MI.
